

MEET OUR SPEAKER

Since 1979 Gary Venden has combined his gifts of teaching and preaching with his passion for sharing the truth about God and unraveling the mysteries surrounding Bible prophecy. Using the Bible alone, in the context of history and culture, Venden--a student of the original Hebrew and Greek used by Bible authors--brings understanding and insights to Daniel and Revelation. These two interconnected books are filled with images, descriptions, and predictions about end-time events that have

for centuries both fascinated and confused most readers--Bible scholars as well as everyday seekers of truth. You're invited to "come as you are" to this free seminar, designed with busy people (Christians and non-Christians) in mind. You'll be amazed at how Bible prophecies unlock positive, hopefilled answers to life's hard questions. An ordained minister who has conducted dozens of prophecy seminars around the country, Venden currently pastors the Glendale Adventist Church in Phoenix.

He and his wife, Marilyn, are accomplished musicians and leaders of Mosaic Worship Band, which plays every Saturday morning at LIFEcenter, an outreach ministry of the Glendale Church.
